

Detailed Steps for Snowman Fun

If you're hosting a holiday party, Snowman Fun is a perfect activity to bring out everyone's creativity and humor. Players will follow these detailed instructions to draw a snowman—all while holding a paper plate on their heads!

What You'll Need ;

- Paper Plates: One per player (lightweight and disposable).
- Markers or Pens: One per player (ensure they're easy to use while holding the plate).
- Timer (*optional*): To add a time limit for drawing.
- Prizes (*optional*): Small holiday treats or trinkets for category winners.

Instructions for Players:

1. **Prepare to Draw:** Hold a paper plate securely on your head with one hand and grab your marker with the other.
2. **Follow These Steps One at a Time:**
 - Step 1: Draw a straight line at the bottom of the plate. This will be the ground or the snow your snowman stands on.
 - Step 2: Draw a large circle resting on the ground. This is the base of your snowman.
 - Step 3: On top of the large circle, draw a medium-sized circle for the snowman's body.
 - Step 4: Add a small circle on top of the medium circle to complete your snowman's head.
 - Step 5: In the small circle (the head), draw a carrot nose in the center.
 - Step 6: Draw two eyes above the nose and a dotted smile below it to make the face.
 - Step 7: Around the neck (where the head meets the body), draw a scarf to keep your snowman cozy.
 - Step 8: Add two stick arms, one on each side of the middle circle.
 - Step 9: Finish your snowman with a top hat on its head.
3. **Take Your Time:** Work carefully, but remember—you can't see what you're drawing!
4. **Wrap It Up:** Once everyone has followed all the steps, take the plates off your heads and reveal your snowmen to the group. Prepare for laughter as you compare the masterpieces!
